Garlinghouse Home Plan Books - Builder Approved Since 1907

For the past century, professional homebuilders have trusted The Garlinghouse Company for reliable, ready-to-build designs. Our home plan books simplify the search for the "perfect" plan with streamlined selections of our most popular designs. Each book features a carefully selected collection of design-specific home plans in a wide array of styles and sizes.

All of our home plan books are available in your favorite bookstores, online at www.familyhomeplans.com, or by calling us at **800.235.5700**.

Here's a Sampling of Our Most Popular Home Plan Books

The Best Baby Boomer Home Plans
 Baby Boomers seeking peace and quiet from their lively teenagers will appreciate this book as much as empty-nesters who wish to enjoy day-to-day living on one, comfortable level. Featuring 300 home plans with main-floor master bedrooms, along with helpful ideas on Choosing a Building Site, Recognizing Good Design, Designing for Privacy, and much more.
288 Pages. Full Color. \$12.95

Smaller, Smarter Home Plans
 What makes a home's design smarter? Sensible room arrangements? Efficient use of space? Thoughtful traffic patterns? You'll find this and more in over 300 thoughtfully designed homes of 2,500 Sq. Ft. or less. Plus we've included insights on Healthy Home Ideas, Energy-Efficient Building Materials, Smarter Homebuilding Technologies and more.
288 Pages. Full Color. \$12.95

The Best of COOLhouseplans.com
 With over 22,000 home plans from which to choose, we thought you might appreciate a little help in finding a plan that's just right for you. Discover a streamlined sampling of 275 of the web site's best-selling designs from North America's top residential architects and designers.
288 Pages. Full Color. \$12.95
