

**BEFORE PROCEEDING WITH ANY WORK OR ORDERING ANY BUILDING MATERIALS, THE BUILDER AND/OR SUB-CONTRACTORS SHOULD REVIEW ALL PLANS AND VERIFY ALL NOTES AND MEASUREMENTS. ANY DISCREPANCIES OR OMISSIONS FROM THE WORKING DRAWINGS SHOULD BE IMMEDIATELY REPORTED TO THE DESIGNER. IF PRINTED COPIES DO NOT APPEAR TO SCALE, STOP IMMEDIATELY AND CONTACT US.**

## Common Questions

### **Plan Sheet Size-**

**IMPORTANT** - Your plans are formatted to the scale noted and placed on appropriate size architect sheets to minimize waste and ease handling on the website.

Most plans are one 24x18 sized sheets.

When opening the PDF file, determine the paper size and print plans to "actual size."

**DO NOT PRINT "FIT TO PAGE"** or your plans will not be to the correct scale.

Email or call if you need assistance.

### **Windows and Doors-**

The window and door sizes are designated at each window/door location.

It is foot/inch(**width**) X foot/inch(**height**.)

For example, a window that states 2-2860 means 2 windows sized at 2'8"wx6'0"h.

### **Request changes and Customizations-**

Please email us at [orders@legacyhomeplans.com](mailto:orders@legacyhomeplans.com) with any changes or customizations you would like to make. List all changes and attach any markups and/or sketches you may have. We will respond with a quote and timeline.

### **Upgrade to RRR, foundation change, 2x4/2x6, CAD/PDF/prints**

Email or call us to place your order and make your payment.

### **Material Lists-**

Material lists are available for all stock plans. Price depends on size of plan. If you ordered customizations to a plan you may also order a customized material list for an additional fee. Email or call us to get a price and place your order.

### **Electrical-**

We show suggested locations for receptacles, switches, and lighting on the floorplan sheet.

### **Plumbing-**

Plumbing fixtures are shown on the floorplans. Your plumbing professional will determine supply and drain plan.

### **HVAC-**

We do not provide HVAC design. Your HVAC professional will provide this.

### **Insulation-**

We do not provide insulation information.

### **Snow load-**

Unless noted otherwise on the plans, your plan is designed for 15lb snow load. If you need to change your snow load please email us the specific snow load you need and we will reply with a quote.

### **Wind load-**

All plans are designed for a 110 ultimate wind load.

### **Repeat Builds-**

We allow a repeat use of a plan for a discounted fee. Please call us for prices and a new license agreement.

### **Unlimited Builds-**

Please call to get details and prices.
